# Conveners' Invitation

We are delighted to invite you to partner with us for the Royal Australasian College of Surgeons (RACS) Annual Scientific Congress (ASC) 2026, to be held from **Thursday 30 April to Sunday 3 May 2026** at the Perth Convention and Exhibition Centre.

The ASC is the largest multidisciplinary surgical meeting in the southern hemisphere and in 2026, it will explore the theme: **“The Art and Science of Collaboration.”**

This is more than a conference - it's a **platform for partnership**, where the surgical community and industry can engage meaningfully around innovation, progress, and shared purpose.

In 2026, we shine a spotlight on how collaboration across disciplines - between surgeons, allied health, researchers, biomedical engineers, scientists, communicators, and patients - continues to reshape the future of surgery. We invite you to be part of that story.

Whether your organisation is leading in **medical technologies, digital solutions, pharmaceuticals, training platforms, or service delivery**, the ASC 2026 offers a powerful opportunity to connect with decision-makers, build relationships, and showcase your role in advancing healthcare.

## As a sponsor or exhibitor, you'll have access to:

- A **diverse and influential audience** of surgical leaders and future innovators
- **Premium brand exposure** through integrated event marketing and digital engagement
- **Tailored packages** that support activation, education, and visibility on your terms
- **Collaborative formats** designed to encourage meaningful dialogue—not just transactions

This year's program will include interactive sessions and curated cultural content, offering unique and integrated spaces for engagement. With a focus on CPD-accredited sessions and workshops, and the professional growth of delegates, your involvement helps support the development of a dynamic and well-connected surgical community.

Hosting the Congress in **Perth** also presents the perfect opportunity to align your brand with Western Australia's vibrant health innovation ecosystem, while enjoying its expansive and natural beauty - from **Rottnest Island** to the **Margaret River region**.

We are committed to delivering high-impact sponsorship experiences and welcome the opportunity to tailor a package that meets your objectives.

Join us in Perth for RACS ASC 2026, where science meets strategy, and innovation is powered by partnership.
